ADVANCEMENT

If a student is able to pass the skills test for a particular level, he/she will move on to the next level. Students may pass to the next level any time during the first half of the session. If a student completes the skills test during the second half of a session, he/she will remain in the same class but will begin working on skills for the next level. Because not all students progress at the same pace, it may take a child more than one session to pass a skill level.

COMBINED CLASSES

Due to low enrollment in some levels, it is sometimes necessary to utilize one instructor to teach more than one swim level.

BEFORE & AFTER SCHOOL RECREATION PROGRAM

Grades K-5

Are you looking for a program full of recreational activities for your student before and after school? Normal Parks and Recreation offers a Before and After School Recreation Program (BSRP/ASRP) for the 2020-21 school year. The program will be offered at eight local Unit 5 Elementary School sites. BSRP is offered from 6:45-7:30am (scheduled late start days are included). The Late Start Day only Program (LSDP) is offered from 6:45-8:30am on scheduled Unit 5 Late Start Days (see Unit 5 calendar for these dates). ASRP is offered from 2:10-5:30pm.

The program is designed to provide students with recreational, educational, and social opportunities in a safe environment. Students enjoy playground and gym time, recreation activities, games, crafts, and have the opportunity to start on homework. A light snack is offered during both BSRP/ASRP.

PLEASE NOTE: BSRP will not meet on days that Unit 5 has a weather-related Late Start Day due to inclement weather.

REGISTRATION INFORMATION

Registration for remaining openings in session 1 is currently taking place at the Normal Parks and Recreation Department Office. Registration for sessions 2 through 4 will also take place this school year.

CURRENT PARTICIPANT

Current participants enrolled in session 1 must complete re-enrollment forms and submit them to the Normal Parks and Recreation Office during the indicated registration weeks in order to retain their space in the program. Current participants have one week to re-enroll. There will be no exceptions. A lottery system was used to complete initial enrollment for the 1st session of the 2020-2021 school year. We will continue to use a lottery system for any subsequent openings in sessions 2 through 4.

NEW PARTICIPANT

New participants must submit forms each session to be a part of the lottery for any open spaces in the program. If a new participant enters a form for the lottery, but doesn’t get into the program, he/she will go on a waiting list for that session only. If openings become available, the waitlist family will be notified. Registration form deadlines and lottery dates for each nine week session are listed on the following pages. Any registration forms that are turned in after the deadline will be processed after the lottery, and only if openings are available.

Note: Registration for BSRP/ASRP is not available online.

If there are questions or concerns you may call our office at (309) 454-9540.

STATEMENT ON THE IMPACT OF COVID-19
ON SUMMER PROGRAMS & FACILITIES

Your health, safety and experience in our programs and facilities are a priority to us. We continue to monitor the developments and the impact of COVID-19 and will adapt, as necessary. We will continue to communicate any changes via our social media channels, website, and online activity guide.

We hope to be able to provide the programs as presented in the Activity Guide. But modifications may need to be made for programs in response to the COVID-19 pandemic, including any federal, state, or local laws, regulations, guidelines, or best practices or any economic condition created by the pandemic.

Certain programs already reflect changes, reductions to participant maximums and a larger waitlist. Our staff continues to work to provide a great experience in our summer programs.

We look forward to serving you.

Museums are so much more than the exhibits and excitement that happen inside our walls. This pandemic has been both a challenge and an opportunity for our mission to inspire the Love of Learning Through the Power of Play.

We know you’ve missed your regular visits to the Museum, and we have missed you too! Thank you for your patience as we work with the state’s guidelines to reopen and offer you the clean and safe playful learning environment you’ve always trusted the CDM to deliver.

While our doors have been shut, we have been very active behind the scenes keeping our mission alive and preparing for the future. The CDM has delivered thousands of our REAM learning activity kits to local families, we have offered summer Day Camps, free Daily Dose of Play e-learning resources, and our popular Art Around You programs. You can access our free e-learning videos and programs via our YouTube channel at ChildrensDiscoveryMuseumNormalIL. We have also worked with our community partners such as the United Way, Boys and Girls Club, and our local schools to help wherever we can.

Inside the CDM, we have updated our AgMazing exhibit with a new building barn and a refurbished tractor. You’ll find our Imagination Theater stage has been refinished, and Dig It! is in full bloom with seasonal flowers. And don’t forget the Discover More Store remains open for shopping in person or curbside pickup!

Thank you for continuing to support the Children’s Discovery Museum as we navigate this unexpected and prolonged closure. We will play together soon!

All seating is now selected when tickets are purchased – the theater is no longer general admission. Cash is not being accepted for the time being in an effort to reduce contact during transactions. As of the time of publication the theater is not utilizing volunteers, but that may change – please contact email apitzer@normal.org or visit the theater’s website for up-to-date information.

**NORMAL THEATER GIFT CARDS**
The Normal Theater is now offering re-loadable gift cards, which also give patrons access to the theater’s loyalty program; gift cards can be redeemed to purchase tickets, concessions, or merchandise. Gift Dollars, or “Theater Bucks,” are still being accepted through 2021, so make sure to use those before they expire.
