What Neighborhood Watch is:

Neighborhood Watch is a crime prevention program that enlists the active participation of residents, in cooperation with law enforcement, to reduce crime, solve problems, and improve the quality of life in your area.

What Neighborhood Watch is not:

It is not a program designed for participants to undertake personal risks to deter crime.

Nextdoor.com is the private social network for you, your neighbors and your community. It's the easiest way for you and your neighbors to talk online and make all of your lives better in the real world. And it's free.
